Based on the Camp Inquiry Survey Teen Camp 2 could hit capacity before registration opens.

To secure your spots be ready for Group Holds or consider switching weeks now. Group holds are first come, first serve once open-NOT based off the Camp Inquire Survey. Groups who reserve spots, if they are approved, the camp coordinator will receive a Group Hold Registration ID (GHRID). Group reservations will expire 2 weeks after Registration opens or 2 weeks after your GHRID has been emailed to the camp coordinator if the request is submitted after registration is open. All unused spots will then be fair game to the public.
